

A photograph showing a group of people in a workshop setting. In the foreground, a woman with long dark hair is leaning over a table, looking at a notebook. Another woman with long brown hair is sitting at the table, also looking at the notebook. The notebook has handwritten text and diagrams. The text on the notebook includes "Motion Map", "A Downhill:", "uphill:", and "more session". There are also some diagrams with arrows and vertical lines. The background shows other people and tables in a workshop environment.

Summer 2023
Workshop

Modeling Instruction in High School Chemistry I

Academy of Charter Schools - Denver

This workshop provides teachers with plans and techniques for helping students learn concepts in chemistry from the perspective of systematically developed particle models for matter. Instructional strategies include a coherent approach to the role of energy in phase change and chemical change.
